# THE PLANET IN THE SPOTLIGHT

## And you, what do you do to save your planet ?

The Dieppe International Kite Festival will celebrate from September 10th to 18th, 2022, the 21st edition of these exceptional meetings on the theme of PLANET PROTECTION, animal protection and biodiversity.

Each participating country will add to the general programming. They will present new creations made from natural and recycled materials.

We invite you to discover, during these nine days of magic, the cultures of the world, as well as the kite and wind structures creations, each more fabulous and unreal than the other, created especially for the occasion.

**An opportunity for extraordinary experiences and encounters in Dieppe.**
